

Whale & Wine Tour

Full Day Tours

The aim of this tour is to show visitors the southern right whale and to take you to Hermanus arguably the best land based whale watching spot in the world (season dependable between July to September). Out of season we simply visit Hermanus and take you on the circular drive to get a bird's eye view of Hermanus and visit Fernkloof botanical garden.

We also do a wine tasting on a nearby wine estate or vinotique in the area. Walk along the charming elevated foot path of this lovely seaside village. Explore the charming village of Hermanus with its art galleries and book shops.

Included in the price of the tour:

- 1 x wine tasting
- Entrance fee to Fernkloof gardens (out of the whale season)

Excluded in the price of the tour:

- Optional boat trip to see the whales.
- Lunch for own account.
